We have a few units (2) that we have paid for a year and have gotten a few months (actually only paying for 11 months). To expand upon this we will need management's help/support based upon local knowledge. Required units that we would be keeping long term.

Some units we are paying on a quarterly basis.

Hopefully my attached letter sent out 10-2-96 gets out and states that management should continually assess these resources - or - going
